Best Polymer Producers Awards for Europe - Background

What is the Polymers for Europe Alliance?

- The European Plastics Converters association (EuPC) decided during its General Assembly in May 2015 to initiate the **Polymers for Europe Alliance, an online information platform free of charge, confidential and open to all parties who have an interest in the competitive conversion of polymers in Europe.**
- The platform is chaired by Ron Marsh, Board member of EuPC.
- Website:
<http://www.polymercomplyeurope.eu/what-we-offer/polymers-europe-alliance>

Best Polymer Producers Awards for Europe - Overview

What are the Best Polymer Producers Awards for Europe 2016?

- **Objective:** Re-establish a constructive dialogue and a good relationship / communication between suppliers & users of polymers.
- **Voters:** All users of polymers in Europe have the opportunity to rate their suppliers regarding their performance between February 2015 – May 2016:
 - **Condition:** Approved registration to the Polymers for Europe Alliance
 - **Link to registration:** <http://www.polymercomplyeurope.eu/node/210/register>
 - **Confidentiality of voters is guaranteed**
- **Launch of voting:** mid-February 2016 to mid-May 2016
- **Awards ceremony:** during European Plastics Converters (EuPC) Annual Meeting on 2-3 June 2016 in Lyon, France
- **Voting system:** Online confidential rating tool is hosted in the Polymers for Europe Alliance extranet on the Polymer Comply Europe website.

Best Polymer Producers Awards for Europe - Awards

9 Awards:

- **8 categories:** LDPE, HDPE, PET, PVC, PC, PS, PP, U-PR
- **One additional overall Award covering all suppliers:** for 2016, this will be the criterion “Innovation”

Best Polymer Producers Awards for Europe - Rating procedure

1. Plastics converters will be able to select their **three best polymer suppliers per polymer type***.
2. The specific supplier will be rated according to **5 criteria**. There will be an indicative content provided for each criterion in the rating tool. **Each criterion is rated on a scale from 1 star “insufficient performance” to 5 stars “very good performance”**.
3. Once the information has been filled in by plastics converters all over Europe during a period of three months, **the voting will be automatically saved and will be subject to final evaluation at the end of May**.

**list provided by Polyglobe*

Best Polymer Producers Awards for Europe - Criteria

In total five criteria for rating the suppliers:

1. Quality:

- Material performance
- Quality problems
- Material quality corresponding to what had been ordered
- Additional costs due to quality problems/non-conformity from the supplier's side

2. Regulatory Compliance:

- Documentation in terms of material data sheets provided by the supplier
- Proactivity of supplier
- Technical support for innovation from the supplier's side

3. Delivery performance:

- Supplier meeting the agreed deadlines
- Flexibility of supplier in terms of delivery
- Additional costs due to delivery problems by the supplier

Best Polymer Producers Awards for Europe - Criteria

4. Communication:

- Transparent communication about maintenance planning, FM or delivery problems by the supplier
- On time information about delivery problems by the supplier
- Supplier considering you as a valued customer

5. Innovation:

- Supplier engaging in technical innovation
- Supplier engaging in market innovation contributing to the European market
- Supplier's performance in terms of sustainability
